Pre-Owned Vehicles
Vehicle Service Contract

Extended Breakdown Protection for Your Vehicle’s Systems and Components

**Keep Your Vehicle Covered. Repairs Cost More Than You Might Think.**

Electronic High Tech Components
- Level control compressor, sensors and limiter valve;
- Pneumatic suspension pump sensors and valves;
- Fuel injection sensors and control module; ignition module;
- Crank sensors; digital or analog instrument cluster;
- Moisture control unit and sensors; anti-termination sensors;
- Manufacturer installed combination entry system; manufacturer installed anti-theft device; ABS (anti-locking braking system), electronic brake control module.

Electrical Plus
- All power motors and solenoids related to the electrical operations of antennas, door locks, power headlight motors, seat mirrors, convertible tops, power trunk releases.

Factory-Installed Navigational System
- Display, controls, and all electrical components.

Seals and Gaskets
- Seals and gaskets related to covered components.

Engine Cooling System
- Fan, fan clutch, fan motor.

Factory Air Conditioning
- Condenser, compressor, clutch and pulley, evaporator, receiver dryer, accumulator, HVAC controller and module.

Brakes
- Master cylinder, vacuum and hydraulic power brake booster, wheel cylinders, hydraulic lines and fittings; disc calipers.

Front Suspension
- Struts; upper and lower control arms and shafts and bushings; upper and lower ball joints; stabilizer shaft, linkage and bushings; spindles and supports; wheel bearings.

Steering
- All internal lubricated parts; rack and pinion and all internal parts; power cylinder assembly, power steering pump, main and intermediate steering shafts and couplings; tie rods and tie rod ends; idler arm, pitman arm. Electric steering motor; electric cylinder assembly, rack and pinion with electric power assist.

Electrical
- Alternator; voltage regulator; voltage sensor; distributor; starter motor, starter drive and solenoid; electronic ignition module; wiring harnesses; manually operated switches; wiper motor; power window motor; sunroof motor.

Fuel System
- Fuel pump, fuel injection pump, fuel injectors, fuel rail, metal fuel delivery lines, nozzles, vacuum pump, and vacuum assist booster.

Your Portfolio Protection service contract also includes:

Towing
- If towing becomes necessary due to a breakdown of a covered component, actual towing costs, not payable by insurance, will be covered up to $50.00 per occurrence.
- (Benefits can vary by state. See your service contract for details)

Substitute Transportation
- For qualified repairs when your vehicle is inoperable and undergoing repairs.

Transferability
- For added resale value your coverage can be transferred to a new owner, should you decide to sell your vehicle. (Fees and restrictions apply).

Light Commercial Use
- For your business or employment.

* These additional benefits are subject to maximum reimbursement limits. Other terms and conditions may apply. See contract for details.

This brochure is not a contract. See your service contract for all details of coverage, benefits, terms, conditions and exclusions. A printed sample of this service contract is available upon request.

Protect Your Ownership Experience." Many miles down the road.
Your Portfolio Protection service contract also includes:*

TOWING if towing becomes necessary due to a break-down of a covered component, actual towing costs not payable by insurance, will be covered up to $50.00 per occurrence. (Benefits can vary by state. See your service contract for details.)

SUBSTITUTE TRANSPORTATION for qualified repairs when your vehicle is inoperable and undergoing repairs.

TRANSFERABILITY for added resale value your coverage can be transferred to a new owner, should you decide to sell your vehicle. (Fees and restrictions apply.)

L I G H T C O M M E R C I A L U S E for your business or employment.

* These additional benefits are subject to maximum reimbursement limits. Other terms and conditions may apply. See contract for details.

Since 1990 Portfolio has tracked repair costs on every make and model of vehicle sold in the United States. The chart above is a summary of what a typical owner may expect after the factory warranty expires.

Your Portfolio Protection service contract delivers exceptional value and convenience:

• Your service contract is transferable and adds value to your vehicle should you sell to a new owner.

• Substitute transportation keeps you with an uninterrupted way of getting around when you have a qualified repair.

• You can finance the cost of the contract in your monthly payment for even more budget control.

• Your service contract is transferable and adds value to your vehicle should you sell to a new owner.

ENGINE
All internal lubricated parts; timing belt, pulleys and cover; oil pump; water pump; manifolds; harmonic balancer; crankshaft pulley; engine mounts. Note: Engine block, cylinder head(s), cylinder sleeves, oil pan and valve covers only if the damage results from the failure of an internal lubricated part. Turbo/Supercharger: All internal lubricated parts contained within the turbocharger housing plus the charger housing only if the damage results from the failure of an internal lubricated part.

TRANSMISSION
All internal lubricated parts; torque converter; vacuum modulator; front pump. The transmission case, housing and oil pan, only if the damage results from the failure of an internal lubricated part.

TRANSMISSION MANUAL/TRANSFER CASE
All internal lubricated parts, plus the transfer case housing only if the damage results from the failure of an internal lubricated part.

FRONT-WHEEL DRIVE
All internal lubricated parts; axle shafts, propeller shafts, constant velocity joints, U-joints, front hub assembly and bearings. Final drive housing and rear axle housing for All-Wheel Drive only if the damage results from the failure of an internal lubricated part.

REAR-WHEEL DRIVE
All internal lubricated parts; axle shafts, propeller shafts, U-joints, hubs and bearings. Drive axle housing and front axle housing for Four-Wheel Drive only if the damage results from the failure of an internal lubricated part.

ENGINE COOLING SYSTEM
Fan, fan clutch, fan motor.

FACTORY AIR CONDITIONING
Condenser, compressor, clutch and pulley, evaporator, receiver dryer, accumulator, HVAC controller and module.

FRONT SUSPENSION
Struts; upper and lower control arms and shafts and bushings; upper and lower ball joints; stabilizer link, bushing and linkages; spindles and supports; wheel bearings.

STEERING
All internal lubricated parts; steering gear box, rack and pinion and all internal parts; power cylinder assembly, power steering pump, main and intermediate steering shafts and couplings; tie rods and tie rod ends; linkage; idler arm; pitman arm. Electric steering motor, electric cylinder assembly, rack and pinion with electric power assist.

ELECTRICAL
Alternator; voltage regulator; voltage sensor; distributor; starter motor, starter drive and solenoid; electronic ignition module; wiring harnesses; manually operated switches; wiper motor; power window motor; sunroof motor.

FUEL SYSTEM
Fuel pump, fuel injection pump, fuel injectors, fuel rail, metal fuel delivery lines, nozzles, vacuum pump, and vacuum assist booster.
