Protecting Your Ownership Experience

Electronic Component Protection

We live in a world where our lives rely heavily on our electronic devices. Our vehicles are no exception. Today's vehicles are designed with the latest technology that keep us connected to the world, while also keeping us safe on the road.

You will want to make sure the electronic components in your vehicle last for years to come without having to spend hundreds, even thousands of dollars on repairs or replacement.

Portfolio's Quantum, Electronic Component Coverage affords you the assurance of knowing the devices keeping you connected and safe from distractions while driving will be covered in the event of a breakdown.

Don't let the unexpected slow you down or ruin your budget. Get the coverage you need for your vehicle's electronic devices.
