1. Change the engine oil and filter;
2. Check and maintain the primary case and transmission fluid level.

The unit must receive the following maintenance every 2 years:

1. Check and adjust the valves if necessary.

# MAINTENANCE NOTIFICATION

Routine maintenance is critical to ensure optimum performance of your motorcycle. You have the option of servicing your motorcycle at the repair facility of your choice. Remember, you must notify the administrator in advance of any maintenance performed outside of our dealership so that they can keep records of all work you have performed. Failure to notify the administrator will result in a denial of coverage.

# HOW TO CONTACT THE ADMINISTRATOR FOR MAINTENANCE NOTIFICATION

1. Choose a licensed repair facility to perform your maintenance. We do not provide a list of authorized dealers, so the choice is yours.
2. Call the administrator at (800) 810-8458 to notify them of the maintenance you are having performed.

## YOU WILL NEED THE FOLLOWING INFORMATION DURING THE CALL:

- ✓ Warranty Forever agreement number or last 8 digits of VIN
  - ✓ Date of scheduled maintenance appointment
  - ✓ Name of the licensed repair facility where you are having maintenance performed
  - ✓ Maintenance you are going to have performed
  - ✓ Current mileage on odometer
  - ✓ Any additional questions you may have
3. Follow all customary maintenance instructions outlined in your Warranty Forever® agreement. You can call our service facility or the Warranty Forever® toll free number with questions or for additional guidance at any time.

# THE CHOICE IS YOURS

All service records must be filed with the Warranty Forever® administrator to maintain coverage. When service is performed at this dealership, we will notify the administrator for you. You may also have maintenance and repairs performed at any other licensed facility, but you must notify the administrator first. Failure to do so will result in a denial of coverage.
