

Powertrain Coverage

Basic component coverage

Powertrain coverage provides protection for the most essential vehicle components to keep your car on the road. Encore powertrain vehicle protection covers the following components of your vehicle:

- **Engine**
- **Transmission**
- **Transfer case**
- **Drive axle assembly**

▶ **Engine overhaul**
\$7,500 - \$9,500

▶ **Drive axle overhaul**
\$1,875

▶ **Transmission overhaul**
\$6,100

▶ **Transfer case**
\$3,200

Stated Coverage

Essential component coverage

Encore stated coverage offers more protection by extending coverage beyond the powertrain. In addition to your vehicle's most essential components, it will also be covered for the component systems listed below:

- **Engine cooling system**
- **Air conditioning**
- **Front suspension**
- **Steering**
- **Fuel system**
- **Brakes**
- **Electrical**
- **Electrical power motors**
- **Electrical high tech sensor components**
- **Factory installed navigation systems**

▶ **Fuel pump**
\$1,565

▶ **Air conditioning**
\$3,100

▶ **Power steering**
\$1,565

▶ **Brake calipers**
\$1,080

Additional Benefits

Trip Interruption: Get reimbursed for lodging and meal expenses between the date of the mechanical breakdown and the date on which the covered repairs are completed.

Substitute Transportation: Get reimbursed up to \$100 for substitute transportation if you need a rental car while your vehicle is being repaired for a covered breakdown.

24 Hour Roadside Assistance: Get reimbursed for up to \$100 per occurrence in the event your vehicle requires any of the following services:

- **Towing**
- **Flat tire service**
- **Battery jump start**
- **Lock-out assistance**
- **Vehicle fluid delivery** (*cost of fluids extra*)

Extended Vehicle Service

Vehicle repair protection plans

Exclusionary Coverage

Go further than the factory

Drive with confidence knowing your vehicle has the most comprehensive coverage available. Safeguard your budget by purchasing protection for repair or replacement of all the factory installed original mechanical equipment on your vehicle with exclusionary coverage.

Exclusionary Wrap Coverage

Go further than the factory

Typical vehicle warranties only cover the essential components of your vehicle, such as the engine or transmission. Today's vehicles are more complex, and repairs can be costly. Protect your investment with exclusionary coverage to wrap around the basic coverage of a warranty.

Get protection for your vehicle and protect your budget from costly repairs.

▶ Diagnose and replace computer modules
\$707 - \$1,303

▶ Power steering
\$1,565

▶ Fuel pump
\$1,565

▶ Air conditioning
\$3,100

▶ Rack and pinion
\$2,645

▶ Brake calipers
\$1,080

▶ Transmission overhaul
\$6,100

▶ Water pump
\$1,150

▶ Engine overhaul
\$7,500 - \$9,500

▶ Drive axle overhaul
\$1,875

Supplemental Coverage

Get coverage fit for your needs

Your vehicle is more than a means of transportation – it's your livelihood. Don't take chances on breaking your budget.

Commercial Use: Add Encore's commercial use coverage for breakdowns to your vehicle when it is used for commercial purposes.

Rideshare: With rideshare coverage, Encore will pay for covered breakdowns to your vehicle when it is used for rideshare purposes such as Uber or Lyft.

Lift Kit: Extend coverage to vehicles equipped with lift kits of up to 6 inches.

Mobility Equipment: Add this option to your Encore protection plan and extend coverage to your vehicle's mobility equipment such as chair lift motors, hydraulic ramp controls, adjustable seating, pedal steering, hoists and swing-arm mechanisms.

Snow Plow: Extend coverage to include your vehicle's equipped snow plow and snow plow prep package.

Coverages and repair costs shown in this brochure are for illustrative purposes only. Request a copy of an Encore service agreement for details of coverages, terms, limitations and exclusions.
